

Please find below a round up of some events and opportunities.

**The next issue in October will also highlight things going on over half term and beyond, so if you have anything you want to add, please let me know.**

**Opportunities and funding:**

**Streets Alive: Basingstoke and Deane**

Basingstoke and Deane Borough Council are inviting Expressions of Interest from local visual artists to deliver outdoor artworks on existing street furniture or walls across the borough wards, as part of the wider development of the successful Streets Alive project in Basingstoke's town centre. This new phase of the project will be funded by BDBC as part of the Queen's Jubilee borough-

wide celebrations.

Successful artists will work with the ward councillors (and local community associations and action groups) on identifying a suitable location and item of street furniture and appropriate local theme for the artwork.

Artists may be considered for more than one artwork in more than one ward.

Artists who have already been involved in the Streets Alive project are also welcome to apply.

Artists must have a link to North Hampshire and ideally, Basingstoke and Deane

The new phase of Streets Alive is supported by Basingstoke and Deane Borough Council

**BDBC leaflet distribution**

The next collection for our leaflet distribution service is Wednesday 5 October 2022. The service distributes and displays information in over 40 community points across the borough.

Please contact [communications@basingstoke.gov.uk](mailto:communications@basingstoke.gov.uk) if your team has any leaflets that you would like to go out on the run. Our recommended size is 500 in A5, but we do take DL leaflets. Leaflets must be delivered to the council's reception by **Tuesday 4 October at 4.30pm**.

We can take partner leaflets if they help keep the public informed of local services and events, but not any commercial leaflets.

### **Councillor Community Grants funding**

Basingstoke and Deane Borough Council's Councillor Community Grant scheme has been introduced to provide flexible funding for small-scale, local initiatives that will make a difference to people's lives and help bring communities together.

It is your opportunity to explain your ambitions to your borough councillor(s) and show how they meet both council priorities and identified local need.

Each borough councillor will have £2,000 per year to allocate in single grants of between £250 and £1,000. You cannot apply for more than £1,000 but individual councillors in the same ward may combine part of their allocations to provide a grant up to the maximum limit of £1,000. You can apply for a maximum of one grant per financial year (April to March). We would encourage applicants to speak with their nominated funding councillor before making an application to discuss whether they would support the funding in principle.

All applications, complete with supporting documentation, must be submitted by the relevant councillor/s to [grants@basingstoke.gov.uk](mailto:grants@basingstoke.gov.uk) by **27 January 2023**.

### **Basingstoke and Deane Community Lottery**

<https://www.bandcommunitylottery.co.uk/good-causes>

### **Four Lanes Trust**

We support small capital grants rather than general running costs with the majority of grants awarded being less than £1,000. However, on some occasions considerably more has been given. The Trustees consider that the important thing is to provide the right amount of money for the project and evaluate the value provided to the community.

The Trust has given grants to a whole range of different groups: schools, community centres, sports clubs, music societies, environmental, playgroups, theatre groups, village halls and youth organisations.

It's worth trying any good idea on us but please bear in mind that we do not support individuals and those benefiting from the proposed grant must be local to Basingstoke.
